## 203k loan

A Federal Housing Administration 203k loan allows a buyer to borrow—in one mortgage—funds to purchase and renovate a property. The amount borrowed is the sum of the home's price and the estimated price of the repairs.

## riparian rights

The rights of an owner of real property whose property adjoins a watercourse, such as a river, to access and make reasonable use of the water.

What is the standard height for a garage door?
